厦门大学 Xiamen University

厦门大学由著名爱国华侨领袖陈嘉庚先生于1921年创办，是中国近代教育史上第一所华侨创办的大学，也是一所与中国共产党同龄的大学。学校先后进入全国重点大学、“211工程”、“985工程”和“双一流”建设高校行列。

2022年，学校入选国家公布的第二轮双一流建设高校名单，化学、生物学、海洋科学、生态学、统计学、教育学共6个学科入选第二轮“双一流”建设学科名单。在全国新一轮学科评估中，高峰学科、优势学科数量实现倍增，取得历史最好成绩。

Xiamen University (XMU), established in 1921 by the renowned patriotic overseas Chinese leader Mr. Tan Kah Kee, is the first university founded by an overseas Chinese in the history of modern Chinese education. XMU has long been listed among China's leading universities on the national 211 Project, 985 Project and Double First-Class Initiative, which have been launched by the Chinese government to support selected universities in achieving world-class standing.

In 2022, the university and its 6 disciplines including chemistry, biology, marine science, ecology, statistics and education were again listed for support under the Double First-Class Initiative in its second phase.

英国创意艺术大学 University for the Creative Arts

在160年的办学历史中，英国创意艺术大学(UCA)积极倡导创意教育和研究。根据《卫报》2024年的排名，UCA被评为英国第二大创意专业院校；在《泰晤士报》《星期日泰晤士报》和《每日邮报》2024年的排名中，UCA位居第三；并且在卓越研究框架的报告中，UCA是拥有世界领先研究成果的顶尖专业艺术与设计大学。UCA提供建筑、工艺、时尚、平面设计、插画、美术、摄影、电影、媒体、表演艺术和创意商业等课程，其高质量的教学备受赞誉，受到创意行业雇主的高度认可。

For 160 years, the University for the Creative Arts (UCA) has been a passionate advocate for creative education and research. It is rated as the second highest-ranked university in the discipline of creativity in the UK in 2024 by The Guardian, the third in place by The Times / Sunday Times and Daily Mail rankings for 2024. In the most recent report on Research Excellence Framework, the UCA is listed as UK's top university in the discipline of art and design for its world-leading research outputs. UCA offers courses in architecture, crafts, fashion, graphic design, illustration, fine art, photography, film, media, the performing arts and creative business, which are acclaimed for their excellent teaching quality, and highly recognised by the employers of creative industry.

视觉传达设计

Visual Communication Design

视觉传达设计专业旨在指导学生运用批判性思维和创造性问题解决方法、利用各式视觉元素来传递信息和想法。本专业注重培养学生的通识素养和专业技能，包括调研技巧、沟通表达，资源获取和媒体制作技能，要求学生具备扎实的专业基础理论知识、严谨的专业分析能力、较好的艺术审美判断能力和国际化视野。学生将有机会参与实际设计项目、与相关行业企业开展合作。通过专业学习和实践，学生将成为能够胜任视觉传达专业领域的规划、设计和传播等工作的基础学术型和应用型复合创意人才，为其就业或研究生学习做好充分准备。

本专业还将引导学生充分意识到技术的变革及其在视觉传达领域的影响，使其能应对未来媒介行业在伦理、文化和经济方面可能出现的种种考验。

Our BA (Hons) in Visual Communication Design program enables successful graduates to apply critical thinking and creative problem solving to using visual elements to communicate ideas and information.

Students are prepared for employment or post-graduate study throughout their degree, through study of various sectors of the graphic design industry. Students have the opportunity to work with or enter into live briefs with industry and clients. Our students develop subject-specific and generic skills, including skills of investigation and enquiry, oral and written communicative skills, the use of a range of technology systems for accessing data, resources, contacts and literature, media production skills. Students are required to have a solid foundation in theoretical knowledge, possess rigorous analytical skills, and maintain good aesthetic judgment, along with an international perspective.

Our students will also cultivate an awareness of changes to technologies and the role of technology within Visual Communication to create future-proof designer, responsive to ethical, cultural and economic considerations in communication media.

数字媒体艺术

Digital Media Arts

数字媒体艺术专业作为一门动态更新的学科，旨在帮助学生在美术背景下培养数字素养，应对科技创新带来的变化，适应作为艺术家在数字时代下的创作需求。在教学过程中，我们将带领学生逐步认识到学科边界并非固定不变，以做好其在创意产业立足的准备。本专业尤为重视数字素养、数字文化和创造力的培养，致力于引导学生成为未来数字创意行业的领跑者，帮助他们发掘并表达自己独特的创意理念。

Our BA (Hons) in Digital Media Arts focuses on helping our students respond to creative technologies, become ready for employment in creative industries, and recognise that disciplinary boundaries are not fixed. Our students develop digital literacy framed in a fine art context. We are a live course that adapts to students' needs as artists working in the digital era. The three main things we focus on are: digital literacy, digital culture, and creativity (through practice and theory). All of which are framed around future-proofing our students for work in creative industries, whilst helping them establish their own unique creative voice.

培养特色

WHY ICI

创意与创新学院(ICI)重视培养学生的沟通协作能力、批判性思维和创造力。无论学生未来在设计行业从事何种工作,这些技能都将对他们大有裨益。

The Institute of Creativity and Innovation (ICI) helps our students develop skills which may well be key to their future success, whichever career path within the context of design they choose: communication, collaboration, critical thinking, and creativity.

双学位 Dual Degree

学院采用“4+0”的双学位培养模式,即本科阶段学业全部在厦门大学创意与创新学院完成。学院学生同时注册厦门大学、英国创意艺术大学两校学籍。

学生在厦门大学规定的学习年限内,完成规定的学业并成绩合格后,达到毕业要求的将获得厦门大学本科毕业证书;符合学位授予条件的,将获得厦门大学学士学位证书和英国创意艺术大学的学士学位证书。

ICI adopts a “4+0” dual-degree model, that is, the undergraduate studies are entirely conducted at ICI. Students who have completed all the academic requirements and passed all applicable assessments of both universities will receive Undergraduate Graduation Certificate and Bachelor Degree awarded by XMU and Bachelor Degree conferred by UCA.

融合跨文化与跨学科 融合中英优质教育资源 融合创意理念与设计实践

Intercultural and Interdisciplinary High-quality Education Resources Theory and Practice

我们的目标是培养开放、包容、具有全球视野、跨学科能力和合作精神、能够应对跨文化挑战的跨文化设计人才。

我们组建了一支具有多元文化背景的专业教师团队，邀请世界各地的专家、学者和行业伙伴为学生提供了解设计行业最新发展的机会。落实双轨质量保证机制，保障教育水准；采用多元教学方法，包括讲课、辅导、小组讨论和工作坊，旨在培养学生的创造性思维，提升创新意识，加强实践设计技能。

学生学习培养可以应用于所有设计学科的基本设计技能，同时学习视觉传达设计、环境设计或数字媒体艺术等特定专业领域设计技能。

Our goal is to cultivate cross-cultural design talents with an open and tolerant mind, a global perspective, interdisciplinary ability, and collaborative spirits who are capable of addressing cross-cultural challenges.

We have assembled a team of professional teachers from diverse cultural backgrounds and invited experts, scholars, and industry partners from around the world to provide students with opportunities to understand the latest developments in design industry. A dual-track QA framework is implemented to ensure the standard of education. Diverse ways of teaching are adopted, including lectures, tutorials, group discussions and workshops, aiming at developing students' creative thinking, fostering their awareness of innovation, and strengthening their practical design skills.

Students learn to develop foundational design skills that can be applied across all design disciplines, along with design skills in specific disciplinary fields of Visual Communication Design, Environmental Design, Digital Media Arts, etc.
